

# Executive Search

On behalf of our client, the Eastern Caribbean Central Bank (“ECCB” or “the Bank”), we are seeking to recruit a suitably experienced individual to fill the newly created position of **Chief Director, Policy**.

## **Chief Director, Policy**

*The Chief Director, Policy provides the vision, leadership and management for the development of a coherent and coordinated policy and research programme that supports the Bank’s Strategic Plan and facilitates delivery on its mandate as outlined in Article 4 of the ECCB Agreement.*

---

### **Qualifications**

---

- A Master’s Degree in Economics or other related field.
  - OR a combination of qualifications and experience that is acceptable to the Bank.
- 

### **Summary of principal duties & responsibilities:**

- Performs technical functions including:
  - o responsibility for delivery of the Bank’s strategic goals;
  - o directing the macroeconomic surveillance and economic intelligence gathering functions;
  - o overseeing the supervisory and regulatory functions for deposit/credit financial institutions and markets;
  - o guiding policy work related to Supervision, regulation, financial stability, and Currency Stability;
  - o overseeing market supervision and statistics;
  - o ensuring timely completion of policy submissions for statutory and networking meetings;
  - o developing and leading the framework for evaluating the effectiveness of policy initiatives;
  - o acting as Chair for internal policy meetings as directed by the Executive Committee.
- Provides strategic analysis and guidance for the development of the Bank’s annual Research Agenda as directed by the Monetary Council and/or Board of Directors.
- Facilitates cross-departmental engagements and collaboration with external partners to improve research quality and depth.
- Ensures delivery of high quality written outputs (e.g. research papers, policy briefings) for various audiences.
- Creates a forum for continuous update on key policy changes and external issues that could impact policy formulation, advice and implementation and submits findings to the Executive Committee.
- Manages relationships with external stakeholders.
- Serves as the management liaison to the Executive Committee on policy matters relating to the Bank’s strategic goals.
- Participates in meetings of the Executive Committee to decide on staff matters, strategic priorities, financial performance, operational and procedural changes, policy formulation and adjustments, Risk and Internal Controls, Safety and Security, and Meetings of the Monetary Council and Board of Directors.

### **Experience & attributes:**

- A minimum of 10 years of relevant experience leading the production of policy and research outputs.
- Experience in research methodology including analysing quantitative and qualitative data.
- Sound knowledge of corporate accounting policies and ability to analyse financial statements and complex financial data.
- Strong interpersonal skills with the ability to negotiate and influence successfully.
- High integrity and credibility, good judgement and commitment to corporate mission.
- Ability to develop and maintain constructive senior level relationships with key partners and stakeholders.
- Strong organizational and planning skills with an eye for detail and accuracy.
- Strong written, oral and presentation skills
- Ability to interface effectively with staff at all levels as well as members of the Board of Directors and Monetary Council.

**Applications should be submitted with detailed Curriculum Vitae to [execsearch@bb.pwc.com](mailto:execsearch@bb.pwc.com) no later than January 22, 2018. We thank all applicants for their interest; however we wish to advise that only suitable applications will be acknowledged.**
